*Silver Beaver  
Class of 2011*

*Blue Mountain Council  
Boy Scouts of America*

Each year the Blue Mountain Council is privileged to honor a select few men and women with the coveted Silver Beaver Award. Established in 1931, the Silver Beaver Award is presented by the National Council for distinguished service to young people on a BSA local council level.

Because of the great number of outstanding Scouters who deserve recognition, the selection of each year's recipients is a difficult task. We appreciate all our leaders who make the Scouting program possible for thousands of Cub Scouts, Boy Scouts, and Venturers.

The Scouters recognized this afternoon truly merit this recognition, and we proudly honor them for distinguished service to our youth.

## **Darrell G. Carr**

Richland, Washington

Darrell has been continuously engaged in BSA youth activities in the Blue Mountain Council since 1991 as a registered Scouter, participating in various positions within the Church of Jesus Christ of Latter-day Saints chartered local unit 215, as well as within the Richland Washington Stake. He has served Troop 215 youth as an assistant Scoutmaster, Scoutmaster, and by serving on the Troop committee. Additionally, Darrell has served as Charter Organization Representative for his ward, served as Merit Badge Counselor, Unit Commissioner, and as District Chair for Rattlesnake Ridge. He has and continues to be instrumental in the area of Friends for Scouting.

Darrell is an active member of American Society of Mechanical Engineers since 1984, a member of Sigma Xi since 1982 and a member of Tau Beta Pi since 1980. He participated in and was chairman of the Chief Joseph Middle School Site Counsel when the Richland School district was planning for the reactivation of the middle school. Darrell is an active member of the Church of Jesus Christ of Latter-day Saints and has supported both wards that he has lived in as well as the stake in numerous capacities. In the ward, in addition to his Scouting responsibilities, he has served as Chairman of the Activities Committee, counselor in the two Bishoprics, a Sunday school teacher and a Primary Teacher. At the stake level, he has been counselor in the Stake Young Men's Presidency and served as Stake Young Men's President for nearly six years. Darrell served as Water Front Director for the 2005 LDS Scout Encampment at Ensign Ranch and Lake Easton and was a merit badge counselor at the 2010 Scout Encampment held at BSA Camp Fife.

Darrell has been a stalwart pillar to the youth of both the Sunset Ward as well as the whole Richland Stake since he moved to Richland in 1991. He has always exhibited enthusiasm for each task. He is a man of honor and integrity, teaching these traits to the youth of the ward and stake through his actions, leadership, and example. His service extends beyond evenings after work and includes weekend activities as well as week long camp outs in the summer. He has gone the extra mile in providing service in for the youth in his church. As evident from his church assignments, Darrell has been called to positions of leadership over youth many times, an indication of the confidence from Ward and Stake leaders that he represents the model that they want our youth to look up to and emulate.

## Jefferson T. Person

Richland, Washington

Jeff has served Boy Scout Troop 237, chartered by West Side Protestant Church, Richland WA since 1999 in several capacities – as assistant Scoutmaster, Scoutmaster, committee member, and merit badge counselor. Earlier service included being a den leader and Webelos leader as his son progressed through the Cub Scout program. He brought his Wood Badge training back to the troop to help foster and lead the troop in its direction of today. His tenure as Scoutmaster began in 2008 and continues today.

Jeff is best known for his passion and commitment to the Boy Scout program and continues to foster leadership skills with younger leaders. He challenges them to excel and to be the boy-led unit that is envisioned by the Boy Scout movement. From his Wood Badge training, Jeff brought to the troop the excitement and desire to improve training at the unit, district and council level – influencing adult leaders to receive appropriate training, including Council wide training event – Big Horn in which extra training is provided to leadership throughout the council, and Wood Badge, where he has served as an instructor. He encourages youth to be actively involved with council level youth leader training (NYLT). He is a Vigil member of the Order of the Arrow and provides leadership as an adult advisor to the lodge and section.

Jeff has brought his enthusiasm and passion for Scouting to the front line, empowering young men to become leaders. He encourages youth and adults to be trained. He continually works with youth in the troop throughout the council by his service on Wood Badge staff, OA Lodge, and roundtable. His example and passion help provide Scouts with the role model, leadership, and opportunity that they need for their growth and moral compass.
